Highgate Holiday Park

Traditional tranquility in the Eden Valley

Luxury Holiday Homes to own in the Lake District

The park has pitches available for caravan holiday homes and lodges up to 22ft wide, with piped gas, stunning views and wi-fi availability. Second hand, good quality caravans are often available on the park. Highgate offers a long season, 1st March - 5th January. The park is within an easy walk of the quaint village of Morland which has a café/restaurant/shop and the village pub. Central Lakes are easily accessible, Ullswater and Haweswater a short drive.

Highgate, managed and owned by David, Liz and daughter Charlotte, is a luxury holiday home park, set in idyllic countryside on the edge of the Lake District, between the Yorkshire Dales and the North Pennines.

An abundance of wildlife lives on and around the park, including the delightful red squirrel. Our own horses, ponies, donkeys and red deer graze peacefully in the fields surrounding the park.

It's surrounding area offers an array of activities and pursuits including walking, cycling, fishing, horse riding, boating and ballooning, as well as indoor attractions such as The World of Beatrix Potter, historic houses and National Trust properties.

If a more gentle approach appeals, a stroll from the park to the Lyvennet River, or Morland Beck offers a taste of the natural beauty that Cumbria has to offer. Morland's 11C St. Lawrence's Church with its Saxon Tower is well worth a visit.
